LEARN • BELONG • ACHIEVE

This week at Chaigeley..

Edition: Friday 20th November 2026

Lavender Class – Poppy Art for Remembrance

Last week Lavender Class were busy in Art, creating some beautiful poppy pictures. The artwork was drawn on the plastic of a picture frame and then backed with tin foil, giving a gorgeous stained glass effect.

The class also made a collection of origami poppies.

Once completed, it was taken to the local cenotaph to show our respect and remember those who served and sacrificed.

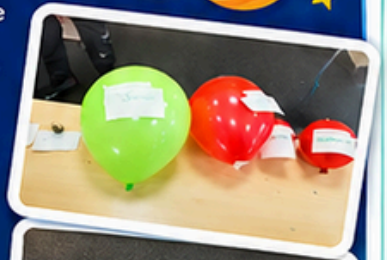
Larch Class – Exploring the Solar System!

In Science, we have been learning all about the planets in our solar system! We explored the eight planets, discovering their different sizes, what they are made from (rock or gas) and their position in relation to the Sun.

We learned how the planets are arranged in a particular order, starting with Mercury, the closest planet to the Sun, all the way to Neptune, the furthest away.

To bring our learning to life, we got creative and made our very own planet models using balloons and playdough! We thought carefully about the different sizes of the planets and how they compare to one another. Once our models were complete, we worked together to arrange them in the correct order from the Sun.

We had great fun getting hands-on with our learning and developing our understanding of the amazing solar system we live in.



Beech Class – Meet BOB!

Beech Class have been doing fact files on fighter fish. Today, we visited Finest Aquatics to choose a class pet. The class all suggested names, which we put into a hat, and the winning name was **Bob**!

Bob is now settled into his new home in class, and we are all enjoying learning about how to care for him and keep his tank healthy.

London Trip – Art and Hospitality

An amazing time was had in London on their recent GCSE Art and Hospitality trip.

The visit gave pupils a fantastic opportunity to explore cultures and food, experiencing different cuisines and culinary styles, and to show creativity and food come together in the real world.

Respect | Resilience | Aspiration | Inclusion

Lavender Class – Cheshire Dogs Home Visit

Lavender Class would like to say a huge thank you for the donations to Cheshire Dogs Home sent in by students, parents and staff.

Lavender Class took the donations to the shelter, and they were delighted with the generosity. Whilst there we were shown around the shelter and introduced to all the dogs, We met a special little friend Tommy, who took a real liking to Lavender Class.

Lavender Class represented the school brilliantly and the centre were very impressed with their behaviour, so much so we have been invited back!

Immunisations

The Immunisation nurses will be in school from **9.30am** on

Friday 15th January 2027, based in the library.

HPV vaccination for Year 8, and it will also be offered to Years 9, 10 and 11 who have not previously received it.

DTP/MenACWY (Diphtheria, Tetanus, Polio/MeningococcalACWY) to Year 9, and any Year 10 and 11 who have not had this previously.

E-Consent Forms: Parents and carers should look out for the **digital consent form** landing in their email inbox.

GCSE Photography – Anfield Trip

Ethan enjoyed a trip to Anfield as part of his GCSE Photography project. He was able to get photos of the stadium grounds, player's changing room and many of Liverpool's trophies.

Celebrating Creativity!

We are thrilled to celebrate Edie's fantastic artwork of a Tiger and a Puma, amongst other amazing pieces.

DINER

CHAIGELEY SCHOOL
