Last weeks 100% attendee's:

- NB, SD, PDR, DG & OP from Larch
- ED, OF, KH, OT & MWT from Lavender
- AG, LH, EHS & LT from Willow
- EJ & LT from Beech
- CD, HS & NS from Birch
- RB & ED from Bonsai
- WA, TB & ML from Linden

Superstars 2026!!!

Last Friday we hosted another fabulous 'Superstars' competition this year at Chaigeley School. Our three house teams competed brilliantly to be crowned champions 2026. This year it was Team Ali who was victorious in taking the team title and the bragging rights. Team Moore placed second and Team Bryant, a valiant third.

Two records were broken in the competition this year. Richard from Bonsai proved himself to be a very determined competitor for Team Ali by breaking the record in the Step Ups and staff member Tabitha Jones displayed her core strength by setting the record in the staff sit-ups challenge for Team Moore.

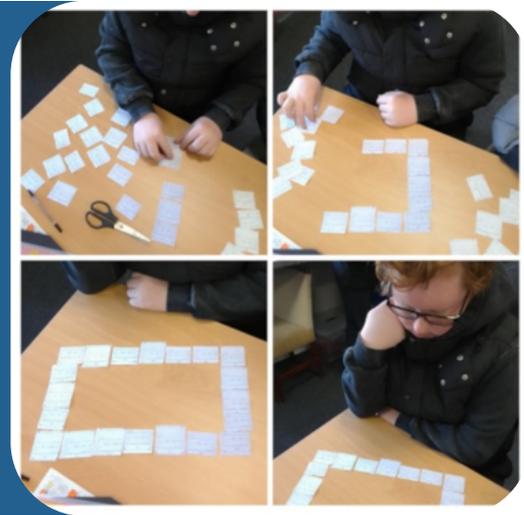

Six pupils were voted as overall 'Team Superstars', each being recognised for their outstanding contributions throughout the day: Wesley, Reece, Annie, Layton, Stephen and Keira. They all received individual trophies in recognition of their efforts.

All our pupils, however, set a fine example to each other with their fortitude, determination and team spirit. As always, it was a pleasure to see them so engaged in the various events and supporting one another in their endeavours. Well done to all of you!!

Maths with Lavender

Lavender Class practiced using their knowledge on function machines. They played a puzzle game in which lots of sums were written on little rectangles. The answer to each calculation was written on a different rectangle that had to be placed next to the sum. This created a pattern.

GCSE Art Trip

Year 10 and Year 11 GCSE Art students enjoyed a fantastic trip to Conwy, where they explored beaches, castles, and suspension bridges for inspiration. It was a wonderful visit, and the students were fantastic throughout. They also used our Art cameras for the first time, helping them develop their photography skills.

Workplace Visit to TrustFord – Stockport

This week, Mason from Linden visited TrustFord, completing our first-ever workplace experience through Ductu.

TrustFord welcomed Mason to their dealership, giving him an insight into the workings of a large motor vehicle dealership and the chance to ask staff questions about the industry.

Larch Class Graffiti Workshop – Liverpool

On Tuesday, Larch Class enjoyed a fantastic trip to Liverpool for a graffiti workshop. The pupils learned to use spray paint and each created their very own graffiti mural, showing off their creativity and artistic skills.

Local Alpaca farm

Sabine from Lilac class recently enjoyed a fantastic trip to a local alpaca farm, where she had the chance to meet and feed some of the friendly farm animals.

When she arrived at the farm, she was greeted by a group of curious alpacas. With the help of the farm staff to show her how, Sabine carefully held out some special animal feed and watched as the alpacas happily munched away. She was very brave and patient, making sure each alpaca got a turn.

During her visit, Sabine also met some of the other animals on the farm, including pigs and goats. She enjoyed learning about how the animals are cared for and what they like to eat. Feeding the animals was Sabine's favourite part of the day, and she did a wonderful job being calm and kind around them.

Unexpected Visitors on the School Field!

This morning, before school started, we had some unexpected visitors. 15 local horses wandered into our school field! They enjoyed a stroll and a snack of our grass before their owners arrived and safely returned them to their own field, just in time for the pupils to arrive.
