

CHAIGELEY SCHOOL NEWSLETTER

20th March 2026

Important Dates to remember..

on Friday 27th March we are holding our Comic Relief Charity Shop and Bake Sale. Parents and carers are invited in to school from 1pm. All staff and students will be wearing Red for a small donation. The Items in the shop will start at 10p and the Cakes will be 50p.

This is also the last day of term and students will finish for Easter break and return to School on Monday 13th April.

With the arrival of brighter days and warmer weather, our school grounds are looking especially beautiful. Spring flowers are beginning to bloom across the gardens adding colour and life to the spaces that the children enjoy every day. The sunshine has been most welcome and has brought a wonderful sense of energy to the playgrounds and outdoor learning areas. We hope the lovely weather continues and our families are enjoying the season change as much as we are.

We are delighted to welcome Rebecca and Debbie to Chaigeley School.

Rebecca has joined us as our new Office Administrator, bringing valuable experience, strong organisational skills and enthusiastic support to the school office.

Debbie joins us as our new Receptionist and will often be the first friendly face you meet when visiting or calling the school.

They are both looking forward to getting to know our students and families.

We are looking forward to having them both at the school and know they will make a wonderful contribution to school life.

Quote of the week

**“March forward
with courage,
even if the path
ahead still feels
like winter”**
