## Parent Update...

**On Wednesday, we had our latest parents coffee morning! Whilst the attendance was small but sweet, it was another incredibly useful meeting, as we had another opportunity to speak openly and honestly with Jackie. Having attended a few coffee mornings now, the discussions that we have had during these sessions have resulted in improvements for our children and in our communication with the school, which has been great.**

**This week, we had another visit from Maddie in the Therapy team, who provided an update from her previous visit to coffee morning. The Therapy team are looking to increase their communication with parents and to put together a useful course for parents and carers. We will update with further information on this when we have it.**

**We will be holding the next parent get together on Wednesday 17th June 2026, we will put an update on the newsletter as a reminder.**

**If you would like to attend, but cannot make these dates or times, please let me know, as we are looking to get to speak to as many parents as possible.**

**You can contact me on [leonie.sourbutts@chaigeley.org.uk](mailto:leonie.sourbutts@chaigeley.org.uk)**

**We hope you all have a good half term break.
