

26<sup>th</sup> June 2026

**This week at school, pupils have made the most of the warm weather, enjoying a wide range of learning opportunities and activities both inside and outside the classroom.**

**As we move towards the end of the summer term, there is an exciting programme of trips and visits planned for many year groups. We look forward to sharing highlights from these visits and celebrating the many achievements and experiences of our pupils as we approach the end of another successful school year.**

## **Tourette's Awareness Day**

**On Wednesday, students and staff took part in a fun Donut Challenge, where the aim was to eat a donut without licking your lips. It was a fantastic activity that brought lots of laughter and enjoyment, and many students and staff successfully completed the challenge.**

**Tourette syndrome is a neurological condition characterised by involuntary movements and sounds called tics, which typically begin in childhood. Eating a doughnut without licking your lips is a small way of showing someone without Tourette's what it can feel like to try and suppress a Tic. It is most likely impossible especially if you are also trying to concentrate on other things, working, being in class or an exam, being in public, trying to not say something inappropriate**

**Last Friday, we said goodbye to our Year 11 students as they reached the end of their journey at Chaigeley School. To mark this special milestone, we held a celebration assembly, providing a wonderful opportunity to reflect on their achievements, memorable experiences, and the progress they have made during their time with us.**

**We would like to extend a special thank you to Nicky for organising such a memorable event and for all the hard work that went into making the day so special.**

**Following the assembly, the students and staff continued the celebrations in style, travelling in a black Hummer limousine to Liverpool for a celebratory meal. It was a fantastic opportunity for everyone to spend time together, share memories, and celebrate the end of an important chapter. It was a truly memorable day for both students and staff, filled with smiles, friendship, and reflection.**

**We are incredibly proud of all that our Year 11 students have achieved and the resilience, determination, and personal growth they have demonstrated throughout their time at Chaigeley. We would like to wish each of them every success and happiness in the future as they move on to new opportunities, challenges, and adventures. They will always remain a valued part of the Chaigeley community, and we look forward to hearing about their future achievements.**

**Last week, our Year 10 students enjoyed a memorable residential trip to Cologne, Germany. What began as an eSports-focused visit became a fantastic cultural and educational experience. Highlights included a day at Phantasialand theme park, a Rhine river cruise, a visit to the iconic Cologne Cathedral, a VR tour exploring the city's post-war history, and a behind-the-scenes tour of FC Köln's stadium. Students also enjoyed a local water park, free time in the city, and a visit to the Lindt Chocolate Museum.**

**For some, it was their first flight abroad, and it was wonderful to see them embrace new experiences and support one another throughout the week. They represented themselves and the school exceptionally well.**

**A huge thank you to the staff who gave their time and commitment to make the trip possible. Their support ensured a safe, enjoyable, and unforgettable experience for all involved.**

# SUN SAFETY

PROTECT YOUR SKIN. STAY HEALTHY.

WEAR A HAT

USE SUNCREAM

WEAR SUNGLASSES

WEAR UV PROTECTIVE CLOTHING

DRINK MORE WATER

AVOID DIRECT SUNLIGHT

As temperatures rise, staying safe in the sun is more important than ever. Take a look at the image for some simple tips and advice to help you stay protected and enjoy the warm weather safely.

## HAPPY Pride MONTH

Friday 3rd July we will be celebrating Pride in School. All students and Staff are invited to wear bright colours or rainbow/pride themed clothes for the day.

We will be hosting a small disco party and will have some big Art Activities taking place in the afternoon.

Thursday 16<sup>th</sup> July-  
Sports Day

## SUMMER HOLIDAY

Friday 24<sup>th</sup> July- Last day of term and we return to School on Monday 7<sup>th</sup> September

## 100% Attendance
