

Our week in Chaigeley..

CHAIGELEY SCHOOL NEWSLETTER

10th July 2026

Our school grounds are looking absolutely wonderful at the moment. The colourful flowers, well maintained gardens, and tidy outdoor spaces have created a welcoming environment for everyone to enjoy. We are incredibly grateful to all those who work so hard to keep our grounds looking their best, providing a beautiful setting for our students to learn, play, and spend time outdoors during the summer months.

The beautiful summer weather has created a positive atmosphere across the school, with students making the most of the sunshine during break times, outdoor learning, and a range of seasonal activities. The warm, sunny days have provided plenty of opportunities for everyone to enjoy spending time outdoors.

As we approach the end of the school year, many classes are looking forward to their end of year trips, giving students even more opportunities to explore, learn, and create lasting memories together.

These special experiences are a wonderful way to celebrate the students' achievements and recognise all they have accomplished alongside their friends and the staff who have supported them throughout the year.

Last Friday, we held our Pride Celebrations at school, and it was wonderful to see our whole school community come together to mark the occasion. Staff and students embraced the spirit of the day by wearing bright, colourful clothing, creating a vibrant and welcoming atmosphere throughout the school.

The celebrations provided an opportunity to recognise and celebrate diversity, inclusion, and the importance of being yourself. It was fantastic to see everyone taking part with such enthusiasm, showing kindness, respect, and support for one another. The day was filled with positivity, laughter, and a real sense of community, making it a memorable occasion for everyone involved.

A huge thank you to everyone who helped make the day such a success. We are proud to be a school where everyone is encouraged to feel valued, respected, and celebrated for who they are.

Sports Day...
